SHIPPING LINE PARTNERS

- Maersk
- MSC
- CMA CGM
- Hapag-Lloyd
- COSCO
- OOCL

End-to-End Trade. Zero Hand-Offs.

From source yard to mill gate — every step managed in-house, on time, every shipment.

FCL LOADING — PRE-STUFFING QC

PORT & LOGISTICS — AVTLLC OPERATIONS

01

Sourcing & Procurement

Access to commercial, industrial and municipal waste streams across 10+ countries. Long-term agreements ensure consistent monthly volumes — supply that mills can plan around.

02

Export & Ocean Freight

FCL booking and freight management via Maersk, MSC, CMA CGM, Hapag-Lloyd, COSCO & OOCL. Confirmed weekly sailings from all origins — no slot scrambles.

03

Documentation & Compliance

BL, CO, packing lists, phytosanitary and import compliance — all in-house. Zero delays at customs both ends, every shipment. No third-party bottlenecks.

04

FCL Containerized Shipping

17–27 MT per FCL. Moisture-controlled, tightly baled and weight-verified at stuffing. Full packing list and photo evidence provided for every container.

Six Reasons Mills Stay.

01

280+ Containers Monthly

Scale means vessel space is always secured — supply never interrupted.

02

100+ Mills Trust Us

Long-term partnerships across all major paper-producing states in India.

03

3 Categories · 29 Grades

Broadest grade coverage from any GCC-based trader — one partner for all furnish.

04

Pre-Loading QC Every Container

Moisture, outthrow and bale weight verified before stuffing on every shipment.

05

10+ Origins · 35+ Destinations

Multi-country sourcing and pan-India delivery — ports to inland ICDS.

06

Full Documentation In-House

BL, CO, packing lists, phytosanitary — no third-party delays, no bottlenecks.
